### MUNICIPAL ACT

Order in Council 935, Approved and  
Ordered March 17, 1977

PURSUANT to the *Municipal Act*, and upon the recommendation of the undersigned, the Lieutenant-Governor, by and with the advice and consent of the Executive Council, orders that whereas, under the provisions of section 766 of the *Municipal Act*, supplementary Letters Patent dated the 4th day of November 1976 were issued that granted the function of *Division XIX—Ice Arena Operation* to the Regional District of Kootenay Boundary:

And whereas the Regional Board of the Regional District of Kootenay Boundary petitioned to have the cost of operation of the City of Grand Forks Ice Arena apportioned on the basis of 68 per cent to The Corporation of the City of Grand Forks and 32 per cent to Electoral Area D, without the establishment of a mill rate limitation:

And whereas paragraph numbered 3 of the function of *Division XIX—Ice Arena Operation* established a mill rate limitation of 2 mills on the current taxable assessed values of land and improvements under the *Public Schools Act*, excluding those properties taxable for school purposes only by special Act:

Paragraph numbered 3 of the function of *Division XIX—Ice Arena Operation* granted to the Regional District of Kootenay Boundary by supplementary Letters Patent dated the 4th day of November 1976 be deleted in its entirety:

And that paragraph numbered 4 of the function of *Division XIX—Ice Arena Operation* granted to the Regional District of Kootenay Boundary by supplementary Letters Patent dated the 4th day of November 1976 be renumbered as paragraph 3.

## LEGISLATIVE ASSEMBLY

## PRIVATE BILLS

Excerpt From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

IAN M. HORNE  
Clerk, Legislative Assembly

#### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Refuse)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

District of Squamish, of Box 310, Squamish, B.C., hereby applies to the Director for a permit to discharge refuse from municipal sources within the District of Squamish, and gives notice of application to all persons affected.

The refuse-disposal site shall be located at the easterly 46 acres, more or less, of District Lot 610, NW1D, which is approximately 4,000 feet south from the B.C. Railway shops at Squamish.

The type of refuse to be discharged shall be municipal and garbage.

The quantity of refuse to be discharged shall be as follows: Average daily discharge (based on operating period), 100 cubic yards of refuse, and, in addition, a total volume of 1,400 cubic yards a year of stumps and demolition debris.

The operating period during which the refuse will be discharged shall be five days a week.

The nature or characteristics (in per cent by weight) of the refuse to be discharged is estimated to be as follows: Refuse and garbage—60 per cent paper products, 20 per cent wood products, 15 per cent organic food wastes, 5 per cent miscellaneous and metal products; annual collection of stumps from land clearing, demolition material, and the like.

The type of treatment to be applied to the refuse is sanitary landfill applied to normal municipal garbage wastes covered daily; controlled burning of stumps, demolition debris, and the like, but excluding putrescibles, 1,400 cubic yards at a frequency of once a year.

I, I. R. Knowles, Administrator, hereby certify that a copy of this application has been received by the Squamish-Lillooet Regional District.

This application, dated on the 10th day of March 1977, was posted on the ground in accordance with the Pollution Control Regulations.

#### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Emissions)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Cantex Engineering & Construction, of 780 East Okanagan Avenue, Penticton, B.C. V2A 3K6, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from an

asphalt plant located at Penticton, and gives notice of application to all persons affected.

The land upon which the works are located is a residue of the south half of the east half of District Lot 3821(S), SDYD (except Plan 24178).

The discharge or emission shall be located 800 feet east of the easterly terminal point of Okanagan Avenue, City of Penticton.

The rate of discharge is (dry basis):  
(a) Maximum, 18,000 SCFM; duration, eight hours a day; frequency, once daily.  
(b) Average daily (based on normal daily operating period), 18,000 SCFM.

The operating period during which contaminant(s) will be discharged is five days a week, eight hours a day, April to November, inclusive.

The characteristics of the contaminant(s) to be discharged are stack emission from drum-mix asphalt plant, not to exceed 0.04 gr/SCF.

The type of treatment to be applied to the contaminant(s) is as follows: Emission to be treated with a wet scrubber and wet collector prior to discharge into atmosphere. Effluent from wet collector to be discharged into primary and secondary settling-ponds and recirculated.

I, F. Crompton, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Regional District of Okanagan-Similkameen.

APPLICATION FOR PERMIT UNDER  
POLLUTION CONTROL ACT, 1967  
(Emissions)

THIS APPLICATION is to be filed with the Director, Pollution Control, Greater Vancouver Regional District. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

The copy of the complete application is available for inspection by anybody between the hours of 8 a.m. and 4 p.m. at the Regional District Office.

Brooke Bond Foods Limited, of 3000 Royal Centre, 1055 West Georgia Street, Vancouver, B.C. V6E 3R3, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from roasting and blending coffee, located at

3445 Gardner Court, Burnaby, B.C. V5G 3K7, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 11 of District Lot 73, Group 1, Plan 31463, NWD.

The discharge or emission shall be located at said 3445 Gardner Court, Burnaby.

The rate of discharge is (dry basis):  
(a) Maximum, 8,700 SCFM; duration, 20 minutes an hour; frequency, four times an hour. (b) Average daily (based on normal daily operating period), 8,700 SCFM.

The operating period during which contaminant(s) will be discharged is continuous, eight hours a day, five days a week.

The characteristics of the contaminant(s) to be discharged are not greater than 0.100 gr/SCF of particulate matter from each of the roasters, cyclones, or air weighing bins.

The type of treatment to be applied to the contaminant(s) is that coffee roasters are equipped with afterburners; other sources are equipped with cyclonic cleaners.

I, R. J. Hannon, Registrar, hereby certify that a copy of this application has been received by the Greater Vancouver Regional District.

This application, dated on the 14th day of April 1977, was posted on the ground in accordance with the Pollution Control Regulations.

### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Bar-F Mines Ltd (N.P.L.), of Suite 101, 3076 Fourth Avenue, Port Alberni, B.C. V9Y 2B9, hereby applies to the Director for a permit to discharge effluent from a placer mining operation (*re* sluice box) located at Barkerville, Cariboo District, into two settling-ponds on the property, and gives notice of application to all persons affected.

The land upon which the works are located is Placer Mining Leases 7114 and 7116.

The discharge shall be located on said leases, 4½ miles from Barkerville.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 1,000 imperial gallons. Maximum daily discharge, 2,000 imperial gallons.

The operating period during which the effluent will be discharged is May 1, 1977, to October 1, 1977.

The characteristics of the effluent discharged shall be equivalent to or better than washed gravel and water containing sand and dirt (no chemical at all to be used).

The type of treatment to be applied to the effluent before discharge is that this water from the sluice box will flow into two settling-ponds, then recycled.

I, B. M. Woodward, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Cariboo Regional District.

This application, dated on the 28th day of March 1977, was posted on the ground in accordance with the Pollution Control Regulations.

## MINISTRY OF FORESTS

### TIMBER SALE LICENCE A08913

A PUBLIC AUCTION will be held by the District Forester at Williams Lake, B.C., at 11 a.m., or as soon as possible thereafter, on June 3, 1977, for the purchase of Licence A08913, to authorize the harvesting of not more than 5,580 cunits of timber each year for a 5-year period.

Cutting permits to be issued under authority of this licence will authorize cutting on areas within the Lac la Hache PSYU in accordance with a development plan to be submitted by the successful tenderer.

To be eligible to submit bids and have those bids considered a tenderer must have an allocated annual volume in the

Lac la Hache PSYU available for application to this licence of not less than the annual harvest volume authorized by this licence. Furthermore, an eligible tenderer must be the operator of a wood-processing plant with barking and chipping facilities utilizing logs to a 4-inch top diameter. Each eligible tenderer will be required to submit proof that the timber to be authorized for cutting is required as a supply to keep his wood-processing plant operating to the capacity approved by the Licensor.

Anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Particulars may be obtained from the Chief Forester, Victoria; the District Forester, Williams Lake; or the Forest Ranger, 100 Mile House. ap28—283

### TIMBER SALE A08890

SEALED TENDERS will be received by the District Forester at Williams Lake, B.C., not later than 11 a.m. on May 6, 1977, for the purchase of Licence A08890, to cut 167 cunits of fir, spruce, and other species located approximately 11 miles south of Quesnel, near to the Narcosli River.

One year will be allowed for removal of timber.

As this area is within the Prince George Special Sale Area, which is fully committed, this sale will be awarded under the provisions of section 17 (1a) of the *Department of Forests Act*, which gives the timber sale applicant certain privileges.

Particulars may be obtained from the District Forester, Williams Lake, or the Forest Ranger, Quesnel. ap28—283

### TIMBER SALE A09217

SEALED TENDERS will be received by the District Forester at Prince Rupert, B.C., at 11 a.m. on May 31, 1977, for Licence A09217, to cut 735,200 cubic feet of hemlock, cedar, balsam, and trees of other species located on Lots 6257 and 6259, approximately 8 miles south of Terrace on Bean Station Road, Range 5, Coast District.

One year will be allowed for removal of timber.

The successful tenderer will not be considered as an established operator for the purpose of applying for further timber within the Skeena PSYU.

Provided anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Particulars may be obtained from the District Forester, Prince Rupert, or the Forest Ranger, Terrace. ap28—283

### TIMBER SALE LICENCE A08674

A PUBLIC AUCTION will be held by the District Forester at Prince George, B.C., at 11 a.m., or as soon as possible thereafter, on June 3, 1977, for the purchase of Licence A08674, to authorize the harvesting of not more than 8,000 cunits of timber each year for a 2-year period.

Cutting permits to be issued under authority of this licence will authorize cutting on an area situated in the vicinity of Holmes River, Cariboo Land District, within the Robson PSYU in accordance with a development plan to be submitted by the successful tenderer.

To be eligible to submit bids and have those bids considered a tenderer must

have an allocated annual volume in the Robson PSYU available for application to this licence of not less than the annual harvest volume authorized by this licence. Furthermore, an eligible tenderer must be the operator of a wood-processing plant with barking and chipping facilities utilizing logs to a 4-inch top diameter. Each eligible tenderer will be required to submit proof that the timber to be authorized for cutting is required as a supply to keep his wood-processing plant operating to the capacity approved by the Licensor.

Anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Particulars may be obtained from the Chief Forester, Victoria; the District Forester, Prince George; or the Forest Ranger, McBride. ap28—283

### TIMBER SALE A09219

SEALED TENDERS will be received by the District Forester at Prince Rupert, B.C., at 11 a.m. on May 31, 1977, for Licence A09219, to cut 553,300 cubic feet of cedar, spruce, hemlock, and trees of other species located 6 miles south of Terrace on Highway 25, Range 5, Coast District.

One year will be allowed for removal of timber.

The successful tenderer will not be considered as an established operator for the purpose of applying for further timber within the Skeena PSYU.

Provided anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.
